

ABI RISK MANAGEMENT SEMINAR

MARCH 31, 2010 | DES MOINES, IA

~ Speaker Contact Information ~

John Gilliland, Sr. V.P., Government Relations
Iowa Association of Business & Industry
Phone: 515-235-0566
jjilliland@iowaabi.org

John Gilliland is Senior Vice President for Government Relations at the Iowa Association of Business & Industry.

John's career in public policy began in 1995 when he served as Iowa's Deputy Secretary of State. At age 31, he won his party's nomination to run for Iowa Secretary of State. He also practiced law with the Des Moines firm of Bradshaw, Fowler, Proctor & Fairgrave.

John joined ABI in 2001 and now leads the public policy efforts for the association's 1,400 members employing more than 300,000 Iowans. Member organizations represent every industry as well as all sizes of business. For over 100 years, ABI has provided a unified voice for business and industry on issues impacting Iowa employers.

A native of Knoxville, Iowa, John earned a bachelor's degree from Cornell College and law degree from Creighton University. He is a former clerk to the United States Attorney for the Northern District of Iowa as well as a judicial clerk in Iowa's First Judicial District.

Brian Jones
Two Rivers Marketing
Phone: 515-557-2093
brianj@2rm.com

As one of the founding partners and CFO of the agency in 2000, Brian has lead all financial aspects of the agency which has become a debt free, financially strong organization. In November 2006 Brian was elected to President after his co-founding partner died in a plane crash along with three associates.

As President Brian leads the agency by managing day-to-day operations that range from fulfilling staffing needs and allocating resources, to overseeing agency financials, developing client relationships and championing our culture.

Jones brings more than 16 years of public accounting experience as a CPA. Prior to joining the agency, Brian worked for RSM McGladrey, where he was Senior Manager of the Small Business Group, specializing in accounting and tax consultation for small businesses.

Brian holds a B.S. degree in accounting from Drake University. He and his wife Janine live in Clive and have a son and a daughter.

Dave Fulton
FDI Consulting, Inc.
Phone: 402.850.9321
fulton@fdiconsultinginc.com

David E. Fulton has over two decades of experience in the technology sales and management field. During that time, he has specialized in providing business continuity and disaster recovery solutions, network and managed services, and information technology strategies for organizations of all sizes nationally.

David's primary area of expertise has been in developing growth markets in resiliency solutions through his unique consultative style, advising organizations on data center configuration, facility operations and process optimization. David has consulted with Fortune 100 clients regarding disaster recovery alternate site considerations and specifications, developing and implementing continuity programs for public and private sector organizations, and emergency communications and employee preparedness strategies. David is President of FDI Consulting, Inc.; a Midwestern based consulting practice specializing in Business Continuity, Disaster Recovery and Continuity of Operations Management Programs. David is the past chairperson for the Public/Private Partnership committee for the International Association of Emergency Managers, a non-profit educational organization dedicated to promoting the goals of saving lives and protecting property during emergencies and disasters. He has also served as director of public relations for the Great Plains Contingency Planners. David holds a Bachelor of Arts Degree from the University of Iowa in Communications Studies.
