

# STEP FORWARD

## STEP FORWARD: QUAD CITIES

March 14, 2017

5:00-7:00 PM

Hotel Blackhawk

200 E 3rd St, Davenport, IA 52801

Panel Discussion and Networking Reception for #MFGWomen

Manufacturing faces a serious skills gap. Meanwhile, women constitute manufacturing's largest pool of untapped talent in the United States. To combat the gender gap in manufacturing, the Manufacturing Institute launched the STEP (Science, Technology, Engineering, & Production) Forward initiative to give manufacturers an opportunity to raise awareness of these issues regionally by showcasing existing female talent and providing role models that can speak to the transformation of the industry.

The Manufacturing Institute and Arconic Foundation are proud to present STEP Forward: Quad Cities on March 14th.

Access the agenda [here](#) to find out more information

[CLICK HERE TO REGISTER](#)

STEP Forward is a chance for manufacturing women to connect with their peers and learn from each other's successes, discuss current strategies, and develop new concepts for advancing and retaining female talent.

Attendees will have the opportunity to:

- Network with industry women in the Quad Cities region
- Discuss challenges and opportunities
- Share best practices in the workplace

**This event is open to all women in manufacturing or STEM related fields.  
Food and Beverage will be provided. No cost to attend. Business Casual Attire**
