## THE COURSE FOR OUR STATE

Leadership Iowa (LI) is Iowa's premier issues-awareness program promoting leadership and civic responsibility in our state. Through an integrated series of eight monthly sessions, participants are provided with a wide range of eye-opening experiences and insights that highlight the opportunities and challenges facing Iowa.

“Leadership Iowa has been one of the greatest personal growth experiences of my life. This program allowed me the opportunity to really get to know people with vastly different life experiences than my own, and in the process, learn about important issues facing our great state.”

- Matt Doty, Weaton Companies, Fairfield, IA
