TDT CPAs and Advisors, P.C. holds Grand Opening for larger and more innovative office location in Des Moines

[November 12, 2018] TDT CPAs and Advisors, P.C. (www.tdtpc.com) relocated to a new and larger office space in West Des Moines, IA in August of this year. A grand opening is being held on November 15, 2018 from 4-6pm at their new space to celebrate the capabilities it provides to the TDT team and clients.

The new space focuses on the collaboration of forward-thinking ideas and TDT's new branding, which was unveiled in May of this year. An illuminated exterior sign is visible from Jordan Creek Parkway and the modern interior office space features TDT's logo and branding throughout.

The new office also provides the TDT staff with a mix of traditional office and open space, meeting the needs of staff in a variety of positions and generations. A large conference room, two small collaboration rooms, and multiple open collaboration spaces can be found amongst the personal offices and pods of cubicles. The office's spacious layout also allows for additional cubicles to be added later, as the Des Moines Team continues to grow.

"We are very excited to share this new office space with our team, clients, and community," said Jerry Kirkpatrick, TDT's Managing Partner. "We entered the Des Moines market in February of 2016 with our primary goal being recruiting new team members. In the following two years, our Des Moines team and goals have grown. This larger space exemplifies our future firm, brand, and purpose to proactively help our clients achieve better results. We plan to see continuous progression, development, and advancement of our team and our clients in our new space."

TDT's West Des Moines team is successfully operating out of the new office, which is located at the address below.
