FOR IMMEDIATE RELEASE

## **Tina G. Yin Sowatzke, Pharm.D. Joins McKee, Voorhees & Sease PLC**

Des Moines, Iowa, September 24, 2018 – MVS is excited to announce that Tina G. Yin Sowatzke, Pharm.D., has joined MVS as an Intellectual Property Attorney in the Biotechnology & Chemical practice areas.

Tina Yin Sowatzke joined McKee, Voorhees & Sease, PLC after graduating with honors from Drake University Law School, with an Intellectual Property Law Certificate. Prior to graduating law school, Tina received her Doctor of Pharmacy degree and graduated *cum laude* from the Drake University College of Pharmacy and Health Sciences.

Tina was recently nominated into the Blackstone American Inn of Court, and continues to be a member of the Iowa Organization of Women Attorneys, and the Iowa Pharmacy Association.

“At MVS both our chemical practice and breadth of clients across chemical fields continues to grow. We are excited to have Tina join our team to help our clients protect their intellectual property assets. Tina’s chemical and pharmaceutical background will be a tremendous asset to our clients.” – Jill N. Link, Pharm.D., Patent Attorney, Member.

McKee, Voorhees & Sease, PLC is Iowa’s oldest and largest boutique IP firm, helping clients protect their intellectual property rights through patents, trademarks, copyrights, regulatory, licensing and litigation, both domestically and internationally since 1924. MVS has lawyers skilled in all areas of technology including chemistry, biotechnology, pharmaceutical sciences as well mechanical, electrical, computer, industrial and aerospace engineering, among others. Many attorneys within the firm have advanced degrees in science in addition to their law degree.
