

Greetings from the Iowa Association of Business and Industry (ABI) Foundation!

Each summer, we host a program for Iowa high school students called **Business Horizons**. The program brings together students from across the state and provides them with unique, hands-on experience in the world of business and entrepreneurship. Participants are placed into teams and tasked to create a product, launch a mock business and take part in exciting competitions. Students develop essential future-ready skills, gain a better understanding of their strengths, build self-confidence and discover their passions.

The student giving you this letter attended the program in 2021 and is pursuing an opportunity to return this year as a **Business Horizons 2022 Ambassador**, an important member of our volunteer staff. The application process requires each student to submit an online application and a recommendation from someone in his/her school.

Ambassadors act as liaisons between the staff/volunteers and the student participants. They must have a high level of maturity and strong leadership skills. The following qualities are also important for this role:

- ✓ **Interpersonal skills:** Ambassadors must be able to communicate effectively and in a positive, professional manner with a variety of individuals in both group and one-on-one situations.
- ✓ **Team-focused:** Ambassadors must exhibit a spirit of cooperation, responsibility and the ability to work for group success over individual gain. Ideal candidates know when to lead and when to play a supporting role.
- ✓ **Sound Judgment:** Ambassadors must model and reinforce mature behavior and decision-making skills, even when “unpopular.” These students must be quick problem-solvers and able to complete tasks with little direction.
- ✓ **Great Attitude & Energy:** Ambassadors must act as a role model and maintain a positive, can-do attitude each day. They must respond well to strong demand on physical and mental stamina. Workdays are often long!

On behalf of your student, we ask that you please take a few minutes to complete the recommendation form found [online here](#) or on the back of this page. We sincerely appreciate your response by **Friday, April 1**. Your input is very much appreciated and highly considered as we select Ambassadors for the program.

If you have any questions or would like to discuss the opportunity or program further, please feel free to contact me at [jsteward@iowaabi.org](mailto:jsteward@iowaabi.org) or 515-235-0570.

Thank you for your support!
