

On October 4, 2022, Elevate Advanced Manufacturing, a program of the Iowa Association of Business and Industry, will recognize **4 outstanding leaders** in manufacturing at its seventh “**Legends in Manufacturing**” awards dinner. Nominees for the first three categories should be individuals who are/were key company leaders, past or present. Nominees for the Manufacturing Champion award should be individuals or organizations not directly engaged in manufacturing activities, but whose activities support the industry as a whole.
